

## **Conscientiousness**

Describes a person's level of organization, discipline, and sense of responsibility. Highly conscientious individuals are dependable, goal-oriented, and careful, whereas lower levels are associated with spontaneity and less structured behavior.

**Writing-style descriptions:** Writing is structured, clear, and detail-oriented. Sentences are well-organized, grammatically careful, and goal-focused. The style emphasizes planning, responsibility, accuracy, and logical progression of ideas.

**Gaphology-style Overall impression:** Controlled, disciplined, task-focused writing.

Slant: Vertical or slightly right
